FISCAL NOTE

HB 3012 - SB 3333

February 8, 2012

SUMMARY OF BILL: Authorizes a holder of a nonresident (NR) seller's license to purchase alcoholic beverages from a state licensed wholesaler for resale outside the state.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to the Alcoholic Beverage Commission (ABC), this would only affect one licensed Tennessee NR, the only current entity with a license under Tenn. Code Ann. § 57-3-062 (b)(1).
- Currently wholesalers are prohibited from selling any products to anyone or any entity but licensed retailers and other wholesalers.
- This would allow this one licensed NR to purchase products from Tennessee licensed wholesalers.
- Based on information provided by ABC and the Department of Revenue, any change in revenue derived from state or local sales taxes, the wine excise tax, or enforcement tax collections is considered not significant.
- No additional personnel or resources will be required by the ABC.
